

Summary

In Conclusion, pretty much a lot of people that were apart of Hexagon staff were part of the Nilenta goon GC. If you are on CirkI, I would solely recommend you leave. I didn't put everyone in this expose document such as Uyko/rec01n/Lorenzi/Jazeko who was a former victim of Carly aka 608 as well as the owner of the GC, and Luisa who were a part of the GC.
